Every Picture Tells a Story . . .

Row 1: Becky Curl, Girls' Social Chairman; Terry Douglass, Treasurer; Dana Cope, Secretary. Row 2: Dough Ludolph, Vice-President; Ron Yokley, President; Bill Long, Boys' Social Chairman.

We, of the

Class of 1972, began our stay at C.H.S. with the typical symptoms of freshmen frenzy. With Mike Gaughan as our fearless leader, we united as a class and attempted an early start for that big junior project by holding jitney sales.

As we moved into our sophomore year led by Mark Evans, we carried away most of the trophies and awards of the Science Fair. That year was also highlighted by the infamous drivers' training course.

Dana Cope headed up the hectic junior year. Besides choosing our class rings and presenting our successful Junior Class Play, "Rest Assured," the class worked hard at the concession stand in order to raise enough money for the prom. After a week of hard work, the prom, entitled "Tyrolean Holiday," was finally completed. The juniors also were able to treat the seniors to a Jr.-Sr. dinner at the end of the year.

Our leader, Yo-Yo.

Under the careful guidance of Ron Yokley, the senior year was full of activity and fun. The class held a spaghetti dinner and a lasagna dinner after two games and also joined together for an old-fashioned breakfast. We added to our funds by putting on a play entitled "You, the Jury," and added to our prestige as a class by being the victors of the "Mud Tug." We completed our year with Class Day and Commencement, which was a whole new beginning for each individual who made up the great and unique Class of 1972.

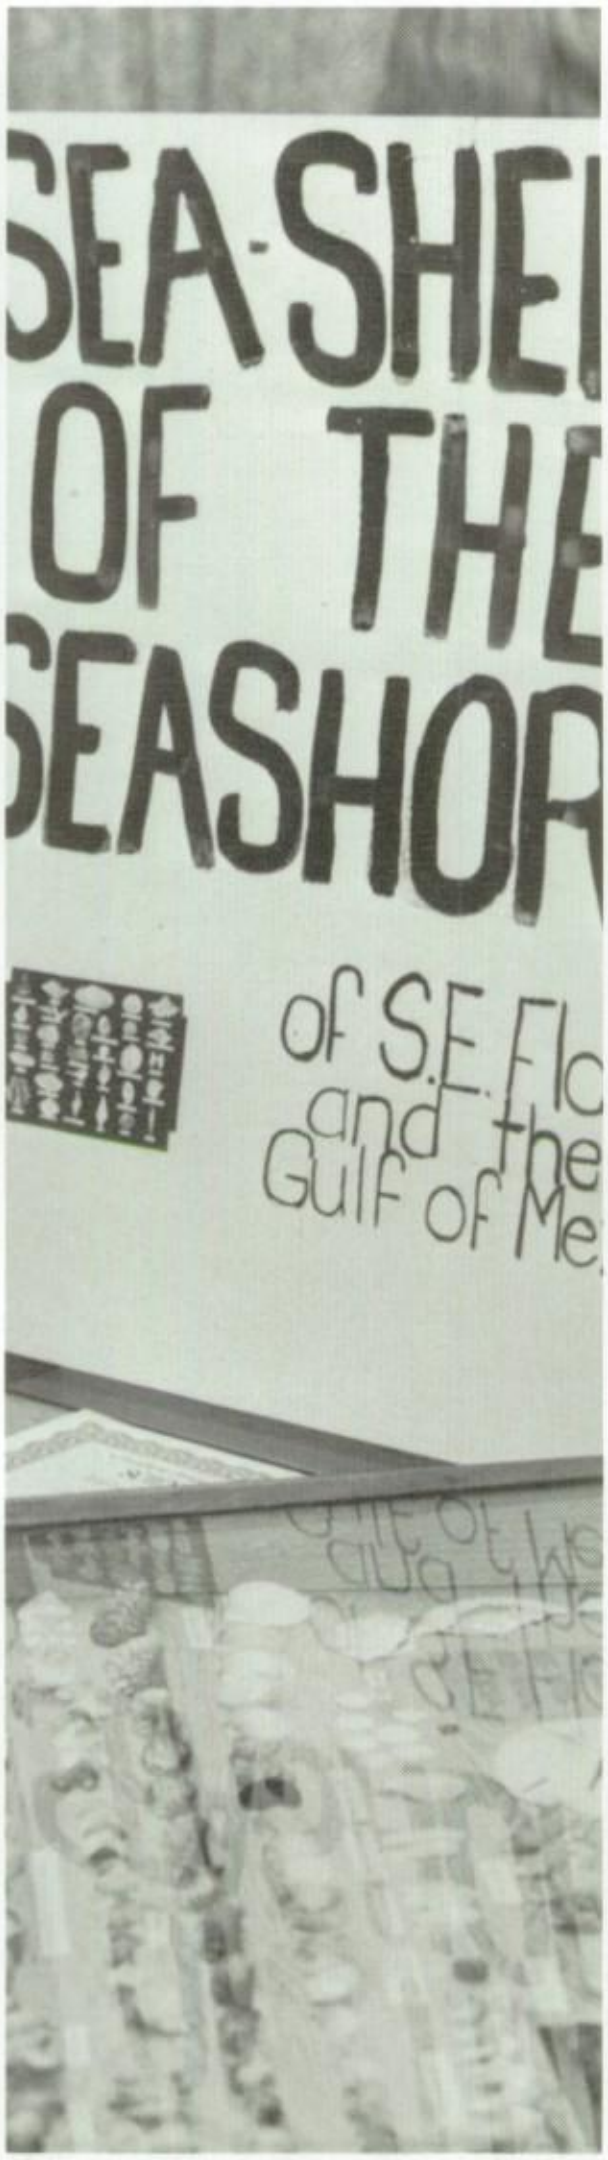
Activities



The Student Council had a very productive year under the leadership of Ron Griffith. Student Council organized the successful Sadie Hawkins Day Dance in November. Student Council has also conferred with teachers and school authorities about establishing a new Study Hall Plan. If the plan is approved students may talk quietly and work together in study hall instead of conforming to the rigid rules now in effect.

If you think this is fun . . . .

After visiting the induction ceremonies at Springfield and South Range High School, our NHS decided to hold our induction on Dec. 14 with a Christmas theme. With Jill Orr at the piano, the Madrigal provided us with music for the opening. Then the seven NHS members gathered around the Christmas tree to act out a skit written by Wanda Shingleton. The members portrayed the characters from Dickens' A CHRISTMAS CAROL to illustrate the four qualities needed to be eligible for NHS. The exciting tapping of twenty new members followed with their parents presenting them with their membership pins. During the year the NHS made money by such projects as the Magazine Drive, and selling Dream Pets in order to be able to give scholarships to one or two deserving Seniors. They also organized volleyball games between all the homerooms climaxed with a tournament between the best teams. The winners were promised free DQ's.

With This Staff, How Can You Miss?

The Clipper Staff of the "72" Annual had a little trouble getting started. However, they did break the record on the sale of ads. They made a good $2800 and sold some 425 year books. Abey Studios took and developed the pictures. Bert Coburn was our publishing representative and Mrs. Jackson proved a good advisor to turn to when things were looking glum. Everyone in the Senior class gave their time and participation to help put out this year's annual.

The 1972 paper staff made several improvements on "The Beacon" throughout the year. The changes included reverting to a standardized three column paper with a smaller overall size. A local company was hired to provide quicker and more efficient printing. The staff overcame an initial deficit and proceeded to make the '72 Beacon one of the most successful profit papers ever. Intellectual articles and editorials were included with thorough school and sports coverage. Many humorous lines were also added to keep the Beacon lively.

Hi-Y this year has blazed from one victory to another. At the present time these fine athletes are tied for the first place in basketball, and, with only two games left to play, are in the number one spot in bowling. Jr. Sr. Tri-Hi-Y Leaps and Rebounds

This year's Jr.-Sr. Tri-Hi-Y did many service projects for their town and their school. They included: Collecting for the Heart Fund, visiting the County Home, decorating a Christmas tree in the park, and providing a Thanksgiving dinner for a needy family.

The girls participated in sports such as bowling and basketball. The bowling team won two in their division. The Junior basketball team won the championship and the Seniors ended with a 5-2 record.

Charlie Brown's what?

FTA is to provide an opportunity for interested students to take over a class under the supervision of the regular teacher. Although this is the main objective, there are many other aspects of the FTA program. A few of these are: service projects, money-making projects, field trips to a college or another school, and hearing guest speakers at meetings. At the end of the year a scholarship is given to two outstanding seniors who are planning to continue their education in the field of teaching.

The Columbiana High School Band has completed another successful year under the leadership of a fine senior class. Starting the year in our old uniforms, we highlighted the marching season at the homecoming game with our first appearance in the new uniforms. Seniors Win First Mud Tug

Seniors get a headstart.

Seniors always come out on top.

Black is beautiful.

It was a great year for mud and for the first mud tug ever held at C.H.S. The mud tug, held in the drained pond of Firestone Park, was sponsored by the Senior Class Officers. Each class participated in the tug, but the mighty Seniors won.

Heave!

Cheerleaders made victory sign for the team.

A new breed of football players was introduced this year as the junior and senior girls battled for the Powder Puff football title. The senior girls were coached by the class's football experts—Terry Parks, Ricky Burt, and Rick Crouse. The junior girls were excellently coached by Jeff Richardson, Tim Gustafson, and Frank Pancake. The seniors, enthusiastically cheered on by Dave Quinlan, Dave Gormley, and Ron Yokley, couldn't quite pull through as they were defeated by the juniors 26-8.

It looks like a victory for the juniors.

The Art Club is made up of interested art students from all four grades at the high school. This year's club, under the helpful guidance of Mrs. Yarian conducted a Christmas gift wrapping service to raise money for their field trip. They also helped decorate the Park at Christmas time. Regular meetings were held on Tuesday evenings so they would not conflict with after-school activities. The officers are: Greg Madden, president; Jack Rapp, vice-president; Kim Olberholtzer, secretary; and Anne Young, treasurer.

The D.E. class, which offers seniors on-the-job training while finishing high school, has been involved in many activities this year. They, along with students from sixteen other high schools, attended a store display seminar at the Eastwood Mall. Also, the four officers went to Columbus to the Ohio D.E.C.A. Delegate Conference and worked actively to elect this year's State D.E.C.A. officers. During the fall the class took a shopping survey of the high school and by January were prepared to present it to the Chamber of Commerce. Every year the class holds the Employee-Employer Banquet which enables all the students and their employers to meet one another and gives the students an opportunity to thank their bosses for helping them learn a particular business.

Sixteen Senior, Junior, and Sophomore boys assisted in the Library as projectionists. Under the guidance of Mrs. Liston and Head Bunny, Chuck Lake, they showed movies, carried and repaired equipment, and ran errands to the Bank and Post Offices.

Twenty high school girls aided Mrs. Liston as student librarians. Their duties included filing and cataloging books, preparing lists of overdue books, looking up references, and distributing the absentee lists.

At the beginning of the year, nurse's aids are chosen by the School nurse with the approval of the principal. They are to help any student who should become ill during the day. Nurse's aids also run errands and help with weighing and measuring the students.

Chorus Has Successful Year

This year the Columbiana High School A Capella chorus was very successful and fortunate. They participated in something different; an exchange concert, set up by Mr. Ellenberger and his friend, Mr. Arnold. The concert was a great challenge and many friends were made during the parties and free times. New York was a great experience, also.

Decorations were well done and appreciated for the Christmas and Spring concerts. District contest and State contest went well; a I rating at District and a II at State.

A Capella choir sang for Poland Middle School.

Mr. Ellenberger put in much time and hard work to make this year a success. Two seniors were accepted to go to Europe to sing with a national choir—Diane Wise and Bruce Symons.

Don Drotleff, Pres.; Tyler Peppel, V. Pres.; Kathy Mansfield, Sec.; Larry Rohrer, Treas.

Elaborate decorations and elated emotions helped the successful concert.

Mixed Chorus Tries

Mixed chorus had a great chorus this year. They performed well at District contest and received a II rating. They didn't qualify for State, but are looking forward to the challenge next year. Their performance at the Christmas and Spring concerts this year was excellent. They learn more each year and help to make the A Capella chorus an experienced and valuable chorus when they reach it. Mixed chorus sang for some chapel assemblies this year.

The sophomore girls spent an active year in Tri-Hi-Y. They held a bake sale, organized a Halloween party for the children attending Story Hour at the Public Library, and collected games, food and clothing for Harry Eberhardt to distribute to needy families in the area. They participated in Tri-Hi-Y basketball with two teams. They also planned to spend an "overnighter" at the Y.

Under the leadership of Chuck Lake, the F.S.A. traveled on many interesting field trips—including: a program about the Star of Bethlehem at Kent State Salem Branch, a lecture about kidneys, and a tour of WKBN radio station. Mr. Seederly, a mortician, and a geologist spoke at different meetings. Keith Lehman was the first over-all prize winner at the Science Fair. The club was represented by Cathy Liggitt and Ginny Pritchard at Junior Science-Humanities Symposium in Columbus. These two girls related their experiences to the F.S.A., Rotary, and Kiwanis.

The highlight of the year was the field trip to the Atomic Power Plant at Shippingport and a tour of the Hall China Company.

"We've Got Spirit!" "Stand Tall-You're a Clipper" — slogans such as these were the Pep Club's decorations of the halls of CHS throughout the school year. Under the direction of Kathy Lower, pres., and Cindy Hoover, sec. treas., the club painted signs and store windows and thought up stunts to rouse on our mighty Clippers. The highlights of the year were the floats and decorations for Homecoming which proved to be better than ever before.

Juniors Present "If a Man Answers"

On November 18 and 19, the Junior Class, with the aid of three Seniors, presented "If A Man Answers", a three-act comedy by Winifred Wolfe. The story was built around the attempts of Chantal Stacey to turn her newly-wed husband, Gene Wright into a perfect spouse. When the advice of a dog-training manual failed, she returned to the advice of her mother, only to find a make believe lover come to life.

The Latin Club was active this year in helping decorate the park for Christmas. Their contribution was the beautiful angels enhancing the doorways of the bathhouse, in a stained-glass window effect. The Club held its annual Latin Banquet on April 6 and invited the freshmen Latin students. They, in turn, entertained the sophomores with a play written by Sally Tharp, entitled "Medussa Lady and Egyptian Mummy Attack Rome." Many of these Latin students also visited Hiram College, where they viewed the play, "The Trojan Women."

Rome never had it so good.

The Home Ec Club got off to a successful start when upperclassmen initiated new freshman members. Under the leadership of Linda Stewart, Pres., the club sold cookbooks and plastic flowers to raise money for their speakers. Some of the highlights of the club were going to the Home, Garden, and Flower Show in Cleveland, their Halloween party, and visiting a children's home.

A Variety of Talent and Laughs

Tiny tapping feet, hilarious burlesque wiggles and beautifully performed melodies are gay reminders of the 1972 Variety Show. To the audience the Show was a huge success, but to the participants it was both great fun and hard work. Practice began for many, eight weeks ahead of the scheduled opening. Many gave up, but those that persevered were awarded grateful smiles from the two directors, Mrs. C. Reel and Mrs. P. Prosnick. Thanks to the efforts of those two women and many other responsible people, the band was able to buy the uniforms that were so badly needed.

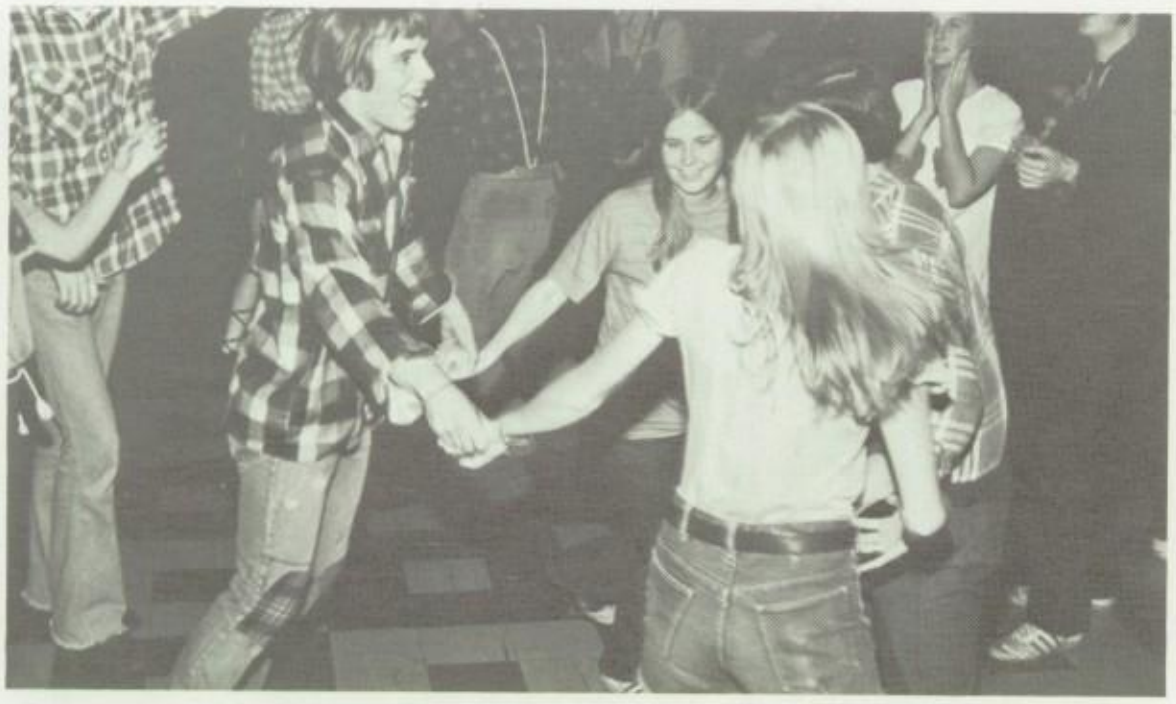
"Sadie Hawkins" Proves Successful



"Daisy Mae, come on back where you belong!"

In place of the traditional Pigskin Prom, after football season, the Student Council decided to have a Sadie Hawkins Day Dance.

The dance, on November 13, was a big success, with the girls escorting the boys and dressing similar to Lil Abner and Daisy Mae. A Marry-in Sam, square dancing, apple dunking were enjoyed, and refreshments were served.

Service Is Motto of Freshman Tri-Hi-Y

The freshmen girls did an excellent job of organizing their first Tri-Hi-Y Club. They held a bake sale to raise money, and they took canned goods and supplies to a nursing home for a Thanksgiving service project. They were also active in sports with two basketball teams and a bowling team.

What's going on here?

The French Club was reborn this year and flourished greatly under the supreme effort of Mrs. Cusick. Plans were made to have a French-style bicycle race but had to be cancelled due to weather conditions. A Christmas party was held at Timberlanes in Salem complete with a French St. Nick. Stimulating programs and guest speakers also highlighted the year for all the club members. The major goal for the club was to acquaint everyone with a greater knowledge of the customs of France and the great French culture.

Displaying out varied talents for students and parents, we were most individualized by our wills and gifts. Class day was also time to "remember through the past six years and all the fun we've had" when in the year 2000 some of our classmates reminisced to 1972; the great class of '72.

Our happy queen.

Kris found homecoming thrilling.

Queen Stefanie Koch

Escorts were Buzz, Dave and Mike.

This year, the Football Homecoming Court made a change by discarding the traditional red and white suits. Queen Stefie Koch in a camel suit and red roses, Attendant Kris McKee in a grey suit with pink roses, and Attendant Dana Cope in a green suit with yellow roses were escorted onto the field by Mike Gaughan, Dave Quinlan, and Buzz Shutt.

Stefie, crowned by co-captain Rick Antram and Kris and Dana, crowned by co-captain Rick Crouse were then walked to the beautiful float which Pep Club had made.

The court watched the mighty Clippers defeat Sebring 33-7.

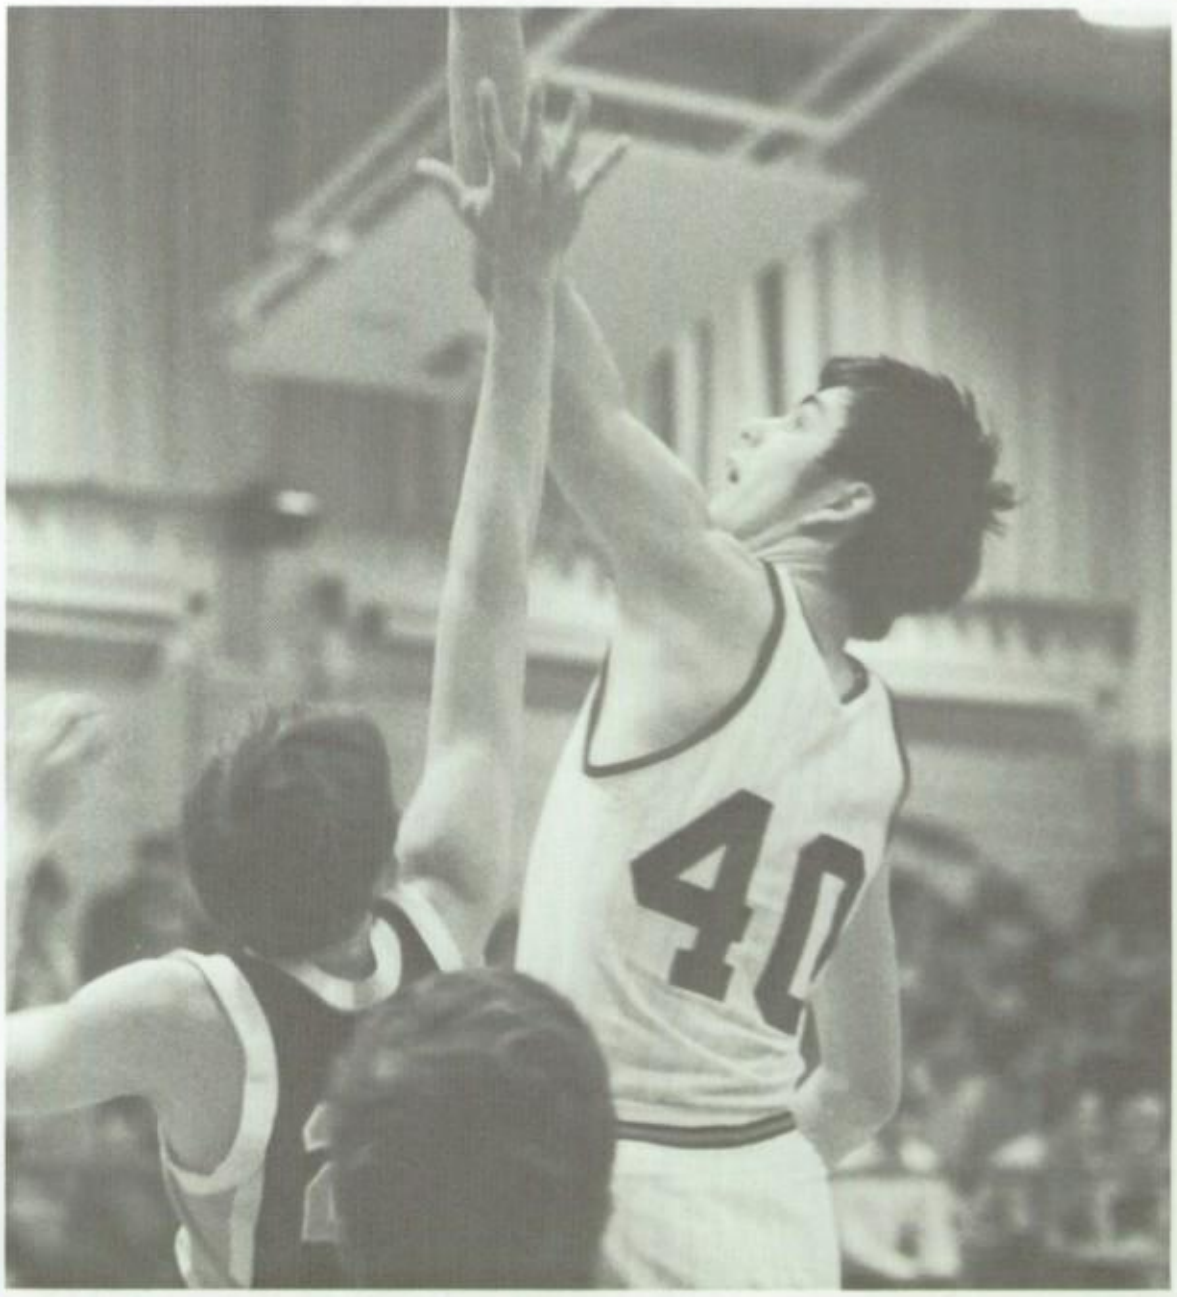
Clippers Keep on Moving

This year's Clippers, under Coach Hughes, had a successful 11-9 record. Co-captains were Buzz Shutt and Charlie Stephens.

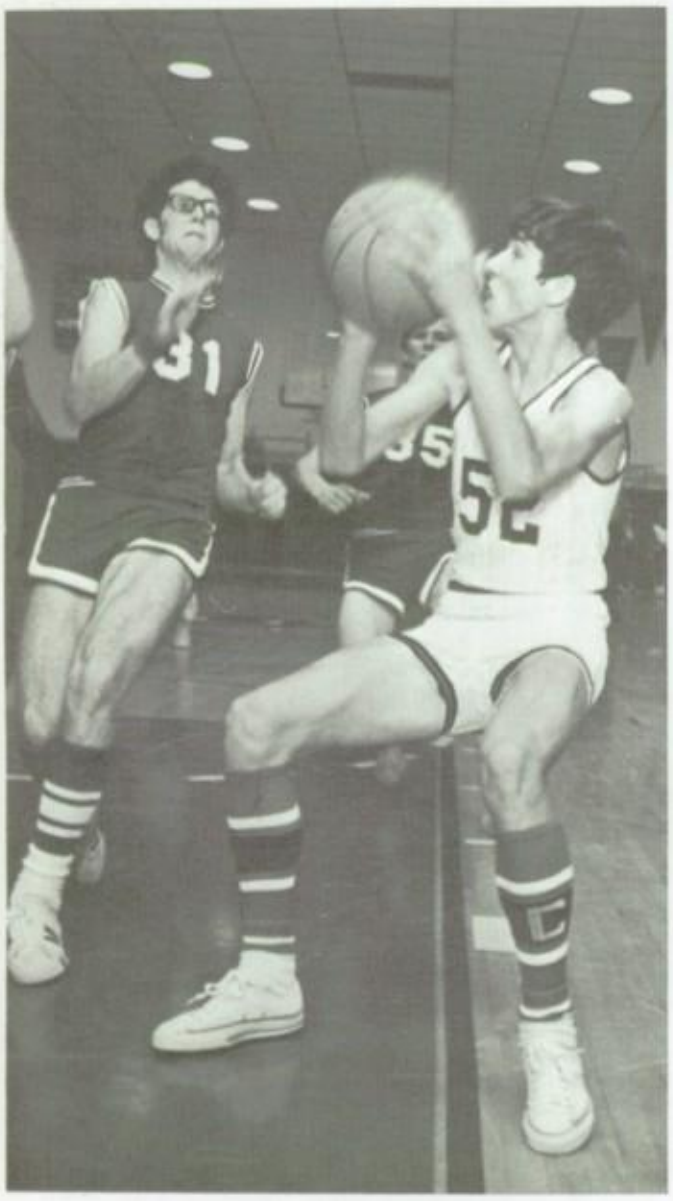
Although it might not have seemed like a very good year, many of the games the Clippers lost were by close margins. Some close games lost were East Palestine, Lisbon, and Poland.

One of the most impressive victories of the year had to be the 57-49 victory over Sebring. It was the first time the Clippers had defeated Sebring for three years. Again the Clippers won their homecoming game against Lisbon.

Although with only one returning letterman, the Clippers should once again be victorious.



Get those rebounds!



Shoot Kys!

Coach Ramsey watches intently.

The reserve basketball team had one of the most impressive basketball seasons, with a 15-3 record.

With Mr. Ramsey as the pilot again this year, the J.V.'s showed much spirit and aggressiveness.

This year's reserve players will be a great asset to next year's varsity and reserve teams.

Coach Berryman.

With only one returning letterman this year, the Clippers started rebuilding for next season. A disappointing (4 won-17 lost) season included a mediocre 6th place finish in Tri-County. With everybody returning and the experience gained this year, Coach Berryman is very optimistic about next year.

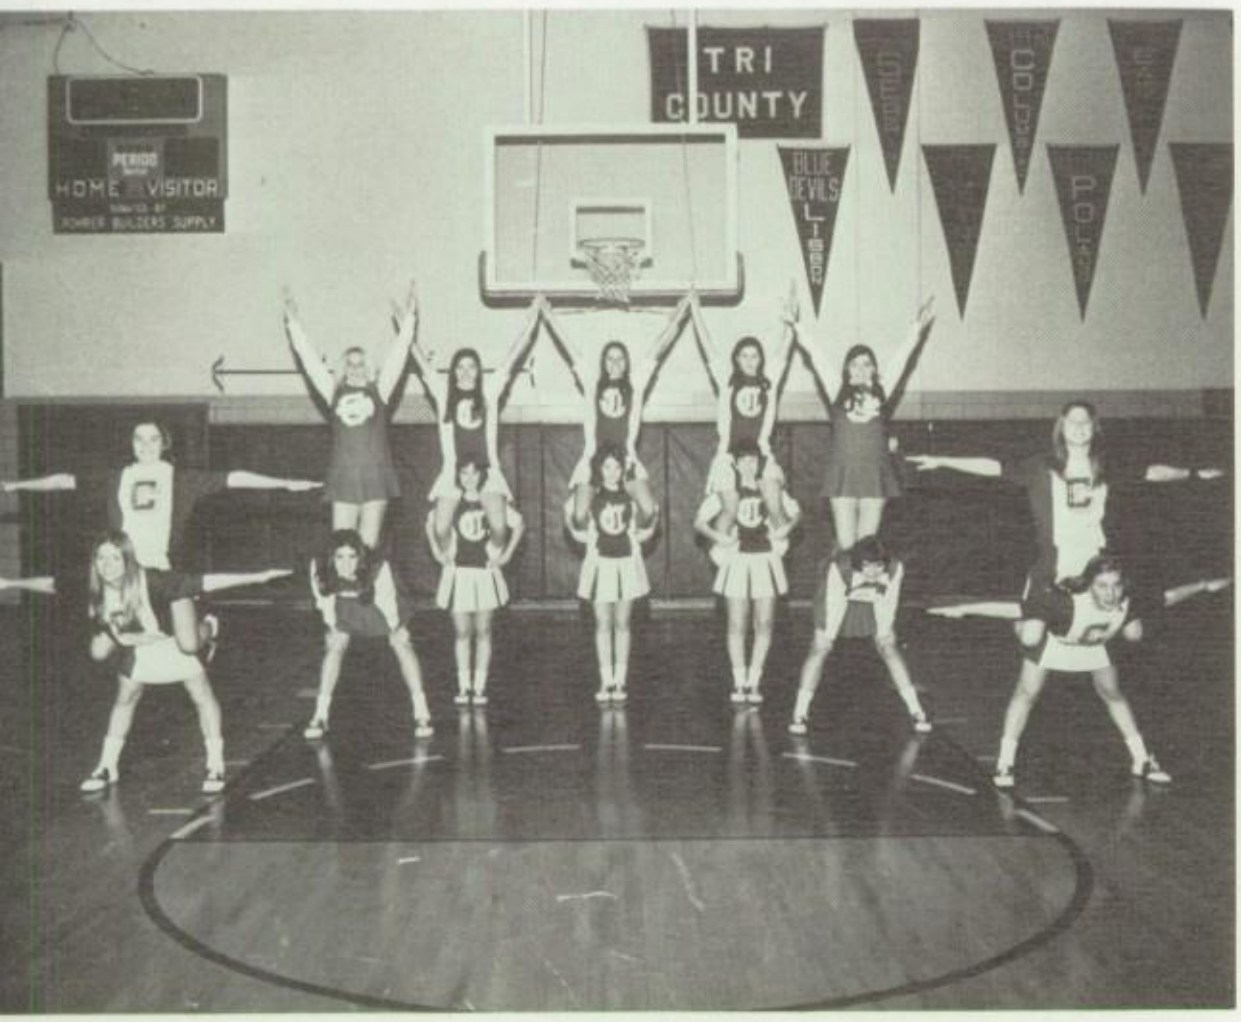
This year the varsity, reserve, freshman cheerleaders were host for all Tri-County Cheerleaders for the annual cheerleading clinic. With varsity and reserve cheerleaders combined, they helped boost the Clipper spirit at several pep rallies. Cushions were sold as a money-making project and later in the year they sold candles.



Cheerleaders worked together to promote school spirit.

Good jump!

Although this year's track record was not an impressive one, there were some outstanding runners such as Lou Champney who broke his own school record in the two mile. Also, there was Terry Parks who ran the 440 in 51.2 at the Bellaire Relays.

During Mr. Ward's final year as track coach, the Clippers finished fourth in Tri-County and fifth in County. Mr. Ward will be greatly missed next year.

The Juniors entered school in the fall eager and ready to work. Under the leadership of President Darlene Kyser the juniors cooperated working to earn the money needed for a busy year.

Following tradition, the class of '73 chose their class rings. After much debating they decided on a very original design and shaped stone.

Running the concession stand at basketball and football games, a newspaper and pop-bottle drive—the money-making projects for the prom were very profitable. The juniors also helped in the gold tape drive for the assembly fund.

The class play, "If a Man Answers" was performed on November 18 and 19 and was a great success.

The Junior-Senior Luncheon and Junior-Senior Prom brought an active year to a close.

All in all it was one year the juniors will never forget.

Class of '74 Has Spirit

In their Sophomore year, the class of '74 felt a new unity and experienced new knowledge in biology and drivers ed. The reserve team was backed by loyal sophs whose enthusiasm won the spirit jug more than any other sophomore class.

Sophomores were also proud that some of their boys played on varsity teams in both football and basketball. As the year ended, the sophs looked anxiously forward to their final two years.

The Freshman Class this year was one of the largest classes in the history of C.H.S. They started their year with penny cans in the homerooms for a money-making project. The Freshmen showed great spirit by winning the spirit jug at the football homecoming pep rally. They also had a successful athletic season which will help our teams in the future.

Empty Desks, Empty Places, No More Senior's Smiling Faces

An empty desk—What does it mean to you? Think about it. You see one desk, can't you imagine another desk nearby? Maybe a row full of desks, a room full of desks, many rooms full of empty desks. Now think about the rooms where the seniors were. Aren't they now empty? Never again will the seniors come together as a class to romp through the halls of CHS. They are gone, forgotten, only the desks remain.
